I Wanna Be A Tutubi

SSAA

Unaccompanied

Composer's note

Based on a traditional Filipino spoken chant, I Wanna Be a Tutubi is a game where a player is to find out who has the stone. The participants are in a circle while the player is in the back watching. The stone is secretly passed around by the participants while singing the song. If he guesses it right, he joins the group and will be replaced by the one holding the pebble. If not, another round of chanting will take place.

English translation

I want to be a dragonfly
Hides no rock
That fell down on the ground
Got pecked by a chicken
From the mountain
