Shared Dreams

for 2-part chorus and piano

MUZIKSEA

Composer's Notes

Shared Dreams is a work for treble choir that reveals the communal thoughts and aspirations of children and youth in challenging times. We asked members in our choir for their thoughts on how they are coping with obstacles, and overcoming fears and worries during these trying times. It is written to inspire and uplift the spirits of those who may hear the music and encourage everyone to keep on dreaming, keep on breathing, and keep on living.
