Alusi au ... Alusi au ... Alusi au

Every human has dreams  
Every human has a different desire  
  
Some people seek wealth and  
descendants, and the others, honor  
Some just want popularity

I have different dreams and different  
desires  
Even so, all of you should not make  
fun of me  
All the things said are not my desires  
My dreams are very different

Your heart that loves me, is  
what I dream of  
A kind heart, your heart is the one  
I am longing for  
Please have mercy on me, do not  
embarrass me  
How does your heart feel? Tell me,  
Answer me

Answer me ... Answer me ... Answer me
